Mr. Lawton-

I am resigning from the position of Dance Advisor at Oregon High School. Due to my new schedule at work and getting married this year, I simply don't have the extra time to commit to the team. I am willing to help out with any transitional needs in the coming season. I am available in May for help with tryouts. Please don't hesitate to reach out to me!

Thank you,

Molly Breningstall

FW: letter

Dear Oregon School Board,

I am writing to resign my position as Oregon High School Math Teacher and Academic Bowl Coach. I have enjoyed teaching math to the students of this community for the past 11 years, but the time has come for me to stay home with my boy - to teach him how to have a love for learning. It was not a decision that I reached easily, as the district has been so good to me in allowing me to flourish in my career, take teaching risks, and reach new goals and awards while being encouraged along the way. I appreciate all of the students, faculty, administration, staff, board members, and community members that have helped me learn and grow as a teacher and as a person. I look forward to watching the district continue the work I have been a part of and to helping in any way that I can as a member of the community.

Thank you so much for the opportunity to serve this community. It means the world to me.

Mr. Mike Lawton,
Oregon School Board

This is to inform you that I am resigning my DLR position as 8th grade Volleyball Coach effective immediately.

I have thoroughly enjoyed, (no, loved) the last 20 years of coaching Volleyball from 7th gr. thru Sophomore and I am extremely proud to have been a part of the DLR and OHS Athletic Programs. Thank you!
