Re: January Board Report  
Date: January 8, 2019

**Current Enrollment:**

Pre-Kinder - 38  
7<sup>th</sup> Grade – 116  
8<sup>th</sup> Grade – 112

**School Improvement Plan (SIP) Goals & Progress:**

SIP Goal 1: DLR PARCC attainment scores for meeting and exceeding in Math and ELA will double from 2017-18 results. Individual meetings with teachers continue to articulate how they are utilizing more rigorous planning and instructional strategies to elevate the level of rigor in the classroom. Instructional coaches from ICLE continue to make periodic visits as well.

80% of DLR students will stay consistent or improve at least one PARCC attainment level on their 2019 test scores in ELA & Math as compared to their 2018 scores. Next update will occur after we get winter MAP data. We will look to utilize new interventions program (still being developed) to help aid in supporting these efforts.

80% of DLR students will have a positive outlook on school and themselves as measured by a fall of 2018 and spring of 2019 organically developed survey. From our survey issued in the fall, 66% of our 7<sup>th</sup> graders feel as they are an important part of this school while 61% of 8<sup>th</sup> graders feel important. This survey will be issued again in the spring.

**PPAC:** - Next meeting is scheduled to take place on February 21<sup>st</sup>.

DLR staff and students compete for the best Christmas sweaters worn to school.

Mr. Dan Gale (left) and Mr. Albrecht (right) both work with their classes regarding how to develop and ask higher level questions to increase rigor during academic discussions.
