

Let freedom Ring 2016

Oregon School District

To whom it may concern

The Let Freedom Ring Committee would like to use your property, Black Hawk Junior High School, as we have in the past years for seating for the fireworks spectators. We will continue to care for and clean up after the festival.

Any questions or comments please contact Barry Rittenhouse Fireworks Chairman at 815-985-4925.

Thank you

Barry Rittenhouse
