Re: February Board Report
Date: February 11, 2019

Current Enrollment:

Pre-Kinder - 38
7th Grade – 117
8th Grade – 113

School Improvement Plan (SIP) Goals & Progress:

SIP Goal 1: DLR PARCC attainment scores for meeting and exceeding in Math and ELA will double from 2017-18 results. MAP data will be used to target specific areas of math and ELA where students demonstrate a deficiency. Use of technology will aid in this effort.

80% of DLR students will stay consistent or improve at least one PARCC attainment level on their 2019 test scores in ELA & Math as compared to their 2018 scores. Due to snow days, MAP testing has recently been completed and data review will commence shortly. Use of data will be to analyze/predict spring PARCC performance as a result of winter MAP data.

80% of DLR students will have a positive outlook on school and themselves as measured by a fall of 2018 and spring of 2019 organically developed survey. From our survey issued in the fall, only 50% of our 7th graders ask for help when they don't understand something, and only 43% of 8th graders ask for help. Needless to say, a focus has been on teaching students the importance of self-advocacy. This survey will be issued again in the spring.

PPAC: - Next meeting is scheduled to take place on February 21st.

Professional Development:

2/14 – Stop the Bleed training for all teachers and aides.
3/6 – BT curriculum work.

DLR teachers are required to make an instructional round with another teacher, including a follow up meeting, once during 2nd, 3rd and 4th quarters.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.

Our Ogle County All Stars are announced prior to their game with Byron held on February 1st.

All DLR students get involved in the Ogle County All Star game including the band playing the national anthem.

Our all-stars enjoy halftime fun by dancing with DLR cheerleaders!

In the end, despite playing hard, our Ogle County All Stars fell to Byron.
