Re: July Board report
Date: July 10, 2018

2018 Summer School:

DLR had five students in credit recovery summer school class which met at OHS along with high school students. Alice Starkey proctored the three-week session.

Students were successful in completing courses to replace deficient grades in various classes.

New Teachers to the District/Building:

Currently DLR needs to fill one special education aide position. New teachers to the building, but not the district, include Mr. Andrew Nelson for 8th grade English and Mrs. Kayla Marquez for 8th grade Algebra.

2018-2019 School Improvement Plan (SIP) Preview:

- Goal #1 - DLR PARCC attainment scores for meeting and exceeding in Math and ELA will double from the 2017-18 results.
 - a. Use of rigor rubric during classroom visits (principal and teachers)
- Goal #2 - 90 % of DLR students will improve one attainment level from their 2017-18 PARCC results to their 2018-19 results.
- Goal #3 - There will be an 80% positive increase in DLR student perceptions of themselves from fall of 2018 to spring of 2019.
 - a. Survey issued in fall and spring
 - b. Daily affirmations, building and classroom

Additional action items for each are still being developed and will be available in August.

Respectfully submitted,

Kip Crandall
