

Oregon Community Unit School District School Board,

The Oregon FFA Chapter Advisors would like to take 10 students to Indianapolis, Indiana for the 96th annual National FFA Convention. The convention is October 31st-November 4th.

Student who attend this trip will gain lots of experiences while attending this convention. The itinerary is packed with opportunities for the FFA members to learn and grow professionally while being away from home. We will be taking tours of local agricultural businesses and colleges in the local area. Students will also be dressed professionally and attend the College and Career Expo where they will learn about the different careers in agriculture as well as opportunities outside of Illinois. The chapter will also be attending a couple of general sessions where they will learn of activities that our chapter could implement.

Some details of the trip include us staying at the Residence Inn Indianapolis Keystone at 9450 Counselors Row, Indianapolis, IN 46240. The chapter will be covering one dinner and the ffa members are responsible for the other meals while at the convention center. There will be two advisors (Mr. McMillan and Ms. Eden) and 10 students going.

Due to this being an overnight trip out of state, we ask for your permission to take 10 FFA members to the National FFA Convention.

Sincerely,

Chelsea Eden and Seth McMillan
