Re: July Board report
Date: July 9, 2019

2019 Summer School:

DLR had eight students in credit recovery summer school class which met at OHS along with high school students. Jim Turffs and myself proctored the three-week session.

Students were successful in completing courses to replace deficient grades in various classes.

New Teachers to the District/Building:

Currently we have all positions filled at DLR. Returning to the classroom will be Mrs. Gretchen Nelson in 7th grade ELA. New to the building, but not the district, will be Mr. Nate Rogers teaching technology. Mr. Cann will move from 7th grade ELA to 8th grade Math. New to the district will be Ms. Eliza Soyars teaching 7th grade Special Education and Meagan Meyer as an instructional aide.
