2019-2020 SIP Plan:

Please see shared Google document.

2019 Registration:

We currently have about eight students projected to attend David L. Rahn Junior High School that have not registered.

New staff:

DLR welcomes three brand new staff members this year, Eliza Soyars as our 7th grade special education teacher, Amy Waddle as our OCEC Plus teacher and Maegan Meyer as our intervention aide. We also have one teacher new to the building, but not the district, in Nate Rogers teaching technology.

Professional Development:

This summer I participated in the 7 Habits/Google trainings, attended the HumanEx Summit in Kalamazoo, structured our PLC team work with ELA/Social Studies and Math/Science teams, attended a restorative discipline practice workshop and committed to daily positive affirmations.

Staff notables: Assessment and instructional strategy work started by our Math/Science and ELA/Social Studies PLC teams.

Positives:

Summer crews have worked really hard and DLR looks really good. I very much appreciate the pride demonstrated by our summer crews!

New family orientation night took place on Thursday, August 8th. Two seventh grade and three eighth families attended. Joanna Cermak and I met with them in the library, gave tours and ended the evening with students being able to tryout their lockers.

Respectfully, Kip Crandall

Mission: Educate students to be lifelong learners who are productive, responsible citizens.
