Dear Dr. Deininger, Dr. Mahoney, Dr. Wills, and Board of Education members,

We are writing to ask for permission to go on a 7-day trip with Club 9 to Toronto, Canada. We hope to leave around the first week of June and stay in hotels over the course of the trip. While we are in Toronto, we will have a tour guide who was an exchange student at OHS and is willing to show us around the city. Some of the places that we are thinking about visiting include the Toronto Zoo, Niagara Falls, the Aquarium of Canada, the Hockey Hall of Fame, and the Royal Ontario Museum. As you can see, we are in the very early stages of trip planning. We will give additional details later on, but need permission to go before we begin the long process of getting passports. We are really excited about this trip because none of us, except Mrs. Starkey, have ever been out of the country, and because our friend group has been talking about going to Canada for a long time. For this trip, we are asking for the use of a van, one tank of gas, and Mrs. Greenwood's notary services to create documents allowing Mrs. Starkey to take us out of the country.

Thank you for considering our request. If you have any questions, please contact Mrs. Starkey.

Sincerely,

Logan Sarver, Phoenix McCaslin, Joshua Batt, Gabriel Williams, Mychal Bowker  
and Mrs. Starkey
