Re: February Board Report  
Date: February 5, 2016

### **Current Enrollment:**

7<sup>th</sup> Grade – 113  
8<sup>th</sup> Grade – 94

### **SIP Goals & Progress:**

SIP Goal 1: At each grade level 5% more students will achieve their MAP growth target\*in the areas of reading and math and close the free/reduced vs. paid lunch status achievement gap in math and reading by 2.5%. \*(as compared to trend data indicating what would normally be expected) **Winter MAP testing is complete and RTi placement meetings will take place on Friday, February 5<sup>th</sup>. Further data mining will occur for use in our data team discussions the week of February 8<sup>th</sup>.**

SIP Goal 2: 100% of DLR students will perform at least 10 hours of community service this year. **Currently 69/207 students have eclipsed the 10 hour mark for this year, 33.33%. 24/69 students meeting are F/R lunch status, 34.7%. Second semester service projects need to be completed and we also have yet to complete our all-school service project. To date, 2,677 service hours have been completed this school year**

SIP Goal 3: DLR will increase student connectedness by achieving 80% student participation in DLR sponsored extracurricular activities and 96% attendance. **2014-2015 statistics indicated 65% of DLR students did at least one extracurricular activity. It was discovered that 75% of paid lunch students had done at least one activity last year but only 54% of free/reduced lunch students. Updated with current known participants, we currently have 88% of our 8<sup>th</sup> graders involved in at least one activity (48% of which are free/reduced) and 72.6% of our 7<sup>th</sup> graders (of which 44.5% free/reduced.) Current student attendance rate is 95.95%**

## OREGON CUSD220

Academics | Activities | Service | Leadership

**PPAC:** - Sandy Stuart, Melissa Moser, Amy Tomlinson, Dan Sheely, Nate Davis, Sheila Calhoun, Tammy Burke

Another joint meeting took will take place on Tuesday, January 19<sup>th</sup> of all three PPAC teams. The agenda included a presentation on the services available from the Ronald McDonald Mobile Clinic and a short discussion about teacher lounge makeovers. I kept DLR parents after and let them know I would be emailing out handbook revision suggestions made by our committee and asked that they email me any handbook concerns as well.

**Other Tracked Data:** Graph below illustrates the number of students with 2 or more failures at the end of any given week. The graph illustrates we have spent 80% of our weeks this year with fewer 2 F students compared to last year.

### **Positively Speaking:**

Not something you see every day in class, but feel good our kids know they can spontaneously do what comes to them in thinking about a classmate.

Winter sports are in full swing with wrestling and girls' basketball taking center stage.

The Valentine's Dance was a formal event and students in attendance had a great time.

Respectfully submitted... Kip Crandall
