**2017 Summer School:**

DLR had one student in credit recovery summer school class which met At OHS with high school students. Carrie O'Neil from DLR covered the first two weeks of summer school and Alice Starkey the final week.

Our seventh grade boy was successful in completing his course to replace his deficient grade in pre-algebra.

**New Teachers to the District/Building:**

Currently DLR will have no new staff to the building other than a part time aide still needing to be hired.

**Final SIP Data:**

I referenced final SIP data in my June report but failed to attach the information. It is attached this month. In summary:

- Goal #1 - We met our MAP growth goals in all Areas except 7<sup>th</sup> grade reading.
- Goal #2 - We met closing the free/reduced achievement gap for 8<sup>th</sup> grade math and reading, however did not for 7<sup>th</sup> grade math and reading.
- Goal #3 - We met our goals related to activity participation, I Am an Eagle Awards earned by 8<sup>th</sup> graders and Eagle Hour participation. Attendance was dismal this year!

Respectfully submitted,

Kip Crandall
