- ISS accumulated a total of 60 hours of community service during first semester. This is a drop from the number of hours completed during first semester last year. The reason for the drop can be attributed to a number of different factors including: Not as many places to go this year, students placed in ISS room to finish a test/receive help from Mr. Gooch, ISS students need to finish tests/assignments for their classes. Mr. Gooch is going to work on finding more service opportunities for the students during second semester.
