SIP Goals & Progress:

SIP Goal 1: DLR PARCC attainment scores for meeting and exceeding in Math and ELA will double from the 2016-17 results. **Currently students are MAP testing. Linkage study will be utilized to determine how many are on track to meet/exceed on PARCC exam. Teachers are being asked to complete a self-identified PD opportunity through the use of a digital platform.**

SIP Goal 2: Focus on increasing student leadership roles in school such as leading school assemblies, planning SOAR activities and classroom responsibilities. **Students are being tasked to utilize teacher created digital platforms to communicate curricular information home to parents. For instance, Mrs. Leamanczyk has developed a class face book page.**

PPAC: - 1st meeting will held on September 27, 2017

Positively Speaking:

Mr. Albrecht and Mr. Crandall survey the new HMH lab equipment sent to support our recent Science materials adoption.

Mr. Albrecht and Mr. Crandall conclude, “yep, these will do!”

Mrs. Fulton and her homeroom students went to great lengths to brighten up one of our basement hallways at DLR. This looks much more inviting than the plain white walls prior to decorating.
