

Oregon CUSD #220

Oregon High School Board Report School Improvement Plan Mid Year Update

January 13, 2020

Oregon CUSD #220

School Improvement Goal 1 Academics (SAT score improvement)

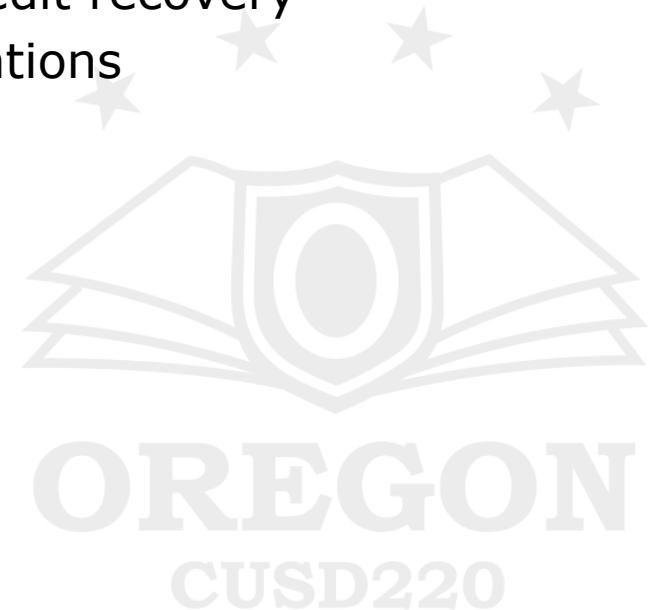

- *Areas of Strength*
 - Increased use of common formative assessments leading to student growth in skills identified as areas of need
 - Student survey to measure academic press & teacher expectations indicated that students feel they are being challenged; teachers working on common expectations throughout the district
 - Practice SAT and PSAT 9/10 scores indicate growth from last year
 - New classes providing additional opportunities for students

Oregon CUSD #220

School Improvement Goal 1 **Academics (SAT score improvement)**

- *Areas for Future Growth*
 - Improve upperclass (10-12) on-track rate through summer school/night school programming for credit recovery
 - More consistent and systematic interventions
 - Parent/Teacher conferences
 - Mandatory tutoring

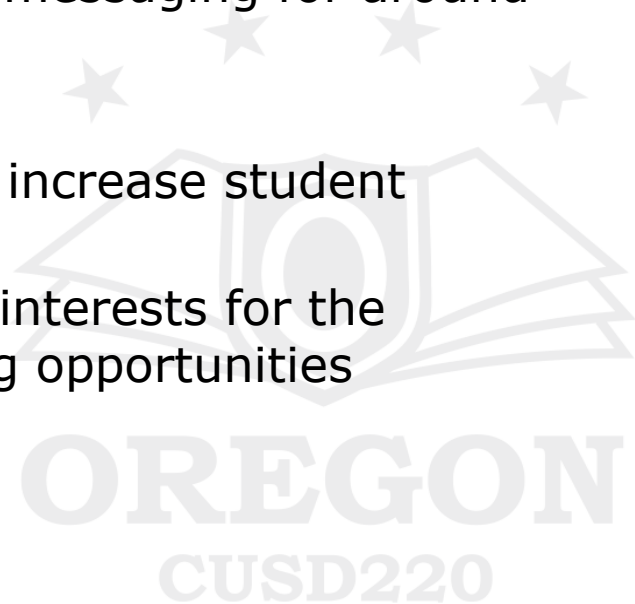

Oregon CUSD #220

School Improvement Goal 2 Culture & Climate

- *Areas of Strength*
 - Developed the Lead team for Leader in Me; had several meetings and determined some positive messaging for around the building
 - Expanded student recognition
 - Added club opportunities for students to increase student connectedness & involvement
 - Student survey to gauge student career interests for the purpose of providing work based learning opportunities

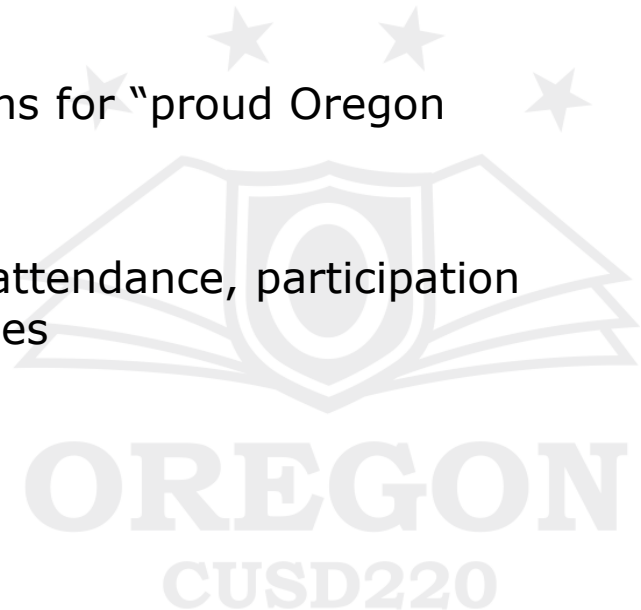

Oregon CUSD #220

School Improvement Goal 2 Culture & Climate

- *Areas for future growth*
 - Continue to work on integration of the Post Secondary and Career Expectations (PaCE) framework
 - Continue to develop language and expectations for “proud Oregon Hawks”
 - Continue to increase (and measure) student attendance, participation and involvement at all extra-curricular activities

Oregon CUSD #220

School improvement goal 3 Professional Practice & Growth

- *Areas of Strength*
 - Professional Learning Communities – teachers set SMART goals for their teams, they meet regularly to discuss student data and needed intervention, they are using a common agenda for minutes, they are discussing instructional strategies.
 - Nine focus instructional strategies; building a common language
 - Weekly teacher survey about professional learning

Oregon CUSD #220

School improvement goal 3 Professional Practice & Growth

- *Areas for Future Growth*
 - Training and practice of teacher classroom visits (training on Jan 15 with ICLE)
 - Need expanded growth in the areas of trauma informed care, ACES and equity
