Dear Administrators,

On behalf of the National Board Resource Center at Illinois State University and the Illinois National Board for Professional Teaching Standards (NBPTS) Comprehensive Support System, we want to congratulate you on the teacher in your district who has renewed their National Board certification:

Kimberly Radostits - Oregon High

You may want to consider recognizing the educator at an upcoming school board meeting, posting this accomplishment on district social media, and/or giving your teacher a National Board pin.

Additionally, due to COVID-19, some teachers and counselors needed to defer. Therefore, there may be additional Renewed NBCTs that will be announced in February 2021.

Thank you for all that you do to support student learning and teacher practice.

Sincerely,  
Amy
