2016-2017 SIP Plan:

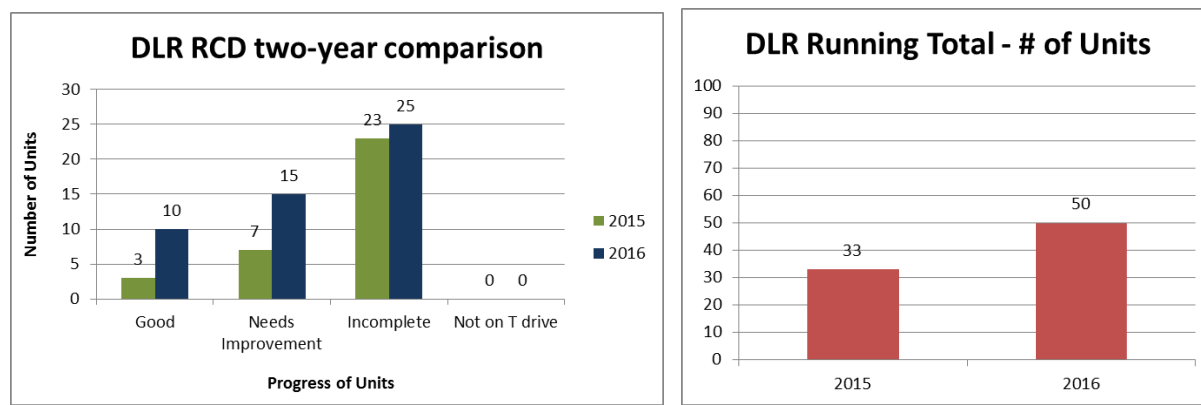

Please see attached document.

2016 Registration:

190 of the 211 students projected to attend David L. Rahn Junior High School have registered. We currently have one student placed out of district in Rockford.

RCD Unit Review:

Graphs below represent results from our now annual RCD unit review for DLR. The numbers are relatively comparable to the other buildings with similar concerns.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.

New staff:

Academics | Activities | Service | Leadership

DLR welcomes two new staff members to the building this year and will host one student teacher in the spring. Dan Gale will be teaching Art/Health classes this year and Jennifer Pierce will be a new aide here at DLR. Jorjann Fink will be student teaching under Ranae Leamanczyk in 8th ELA next spring. Jorjann will, however, spend quite a bit of time here first semester doing observations and getting to know the students and staff.

Positives:

Summer crews worked really hard and DLR looks as good at this time of the summer as it has ever looked. I very much appreciate the pride demonstrated by our summer crews!

Below are pictures of the gym having been repainted by Carrie O'Neil and her band of volunteers. It has really brightened up the facility and she should be proud of her efforts!

Respectfully submitted,

Kip Crandall
