Re: February Board Report
Date: February 9, 2021

Current Enrollment:

7th Grade – 107
8th Grade – 125

SIP Goals & Progress:

Math/Science PLC – Review of winter MAP scores show an increase of students, over fall data, scheduled to meet expected fall to spring growth.

SS/ELA PLC – Initial review of reading MAP data, like math, demonstrates an increase of students who should meet spring growth goals.

SEL PLC – DLR conducted its first staff social on Monday, February 8th. After staff vaccine shots, we conducted a staff meeting and hammered out 2021-2022 daily class schedules, Response to Intervention (RTI) strategies, enrichment time and other intervention strategies. Following the staff meeting, we enjoyed a lunch catered in by Alfano's followed by a bags tournament. This social time we believe to prove beneficial in maintaining an optimistic attitude we can then take to the students.

PPAC Meeting: - Next meeting will be scheduled for early March.:

Professional Development:

- 2/11 – Will virtually attend second session of district equity work with Educational Equity Consultants
- 2/17 – 2/19 – Professional Learning Communities (PLCs) to meet with Diane Jones to revisit rigor work that has transpired over the past two years.
- 3/11 – Leader in Me regional teams meeting with our Leader in Me Coach Jennifer Hearn.

Beyond Textbooks Update:

- BT assessments continue to be used for periodic data checks as to how students are progressing through the standards. Next year they will be used more fluidly as a means of developing Response to Intervention (RTI) groups on a more frequent basis.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.

Positively Speaking:

DLR staff takes time to care for themselves and each other socially/emotionally by having an Alfano's catered lunch followed by a bag toss tournament on Monday, February 8th. Pictured are Dave Boyer and Carrie O'Neil, team champions. These were a few of the activities that took place after staff received their first COVID vaccine shot. Staff also solidified its 2021-2022 daily schedule, RTI and enrichment schedules and potentially an early release Wednesday intervention program.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.

A welcomed site, DLR boys basketball holds first sporting competition at the school in over 10 months! The 7th graders won the February 9th contest against Winnebago 33-22 followed up by an 8th grade victory, 39-23!!

Respectfully submitted... Kip Crandall
