Restorative Practices

Oregon High School is working to institute alternatives to traditional referrals. Each month, restorative discipline used will be reported.

Other November Highlights

- A complete review of discipline data and a needs assessment was conducted to determine any areas of disproportionality in referrals.
- A survey was sent to all OHS students regarding tardiness behaviors at school. School/class tardy referrals are the #1 referral reason each year.
- A focus group was held with 6 chronically tardy students to gain feedback on policies and school culture.

All of this feedback will be shared with the annual handbook team to re-evaluate current policies and procedures and to consider an opportunity to include additional restorative practices.
