**2018-2019 SIP Plan:**

Please see attached document.

**2018 Registration:**

We currently have about six students projected to attend David L. Rahn Junior High School that have not registered.

**New staff:**

DLR welcomes one brand new staff member this year, Jennifer Hernandez as our fulltime nurse. We also have two teachers new to the building in Andrew Nelson, 8<sup>th</sup> grade ELA and Kayla Marquez in 8<sup>th</sup> grade Algebra. We are still in search of a 7.0-hour instructional aide.

**Welfare and Advisory:**

Not at this time.

**Teaching & Learning:**

Benchmark testing will take place in September through the use of Measure of Academic Progress (MAP) and Pearson's Aims Web testing. ELA and Math teachers will also track Beyond Textbook (BT) formative assessment data and formally reteach students deficient in identified math standards.

**Positives:**

Summer crews have worked really hard and DLR looks as good at this time of the summer as it has ever looked. I very much appreciate the pride demonstrated by our summer crews!

New family orientation night took place on Thursday, August 9<sup>th</sup>. Three seventh grade and two eighth families attended. Joanna Cermak and I met with them in the library, gave tours and ended the evening with students opening their lockers which contained a welcome present.
