**2021-2022 SIP Plan:**

Highlights to our SIP:

- 1) Math and ELA lead data continue to be updated in the SIP plan and may be located using the link below. Not much to update as all standards for the year are in and we are currently state testing. A detailed look at this information may be found using this link: <https://docs.google.com/spreadsheets/d/1t4bQ6CqCLbSXa-N9SP9YTL-yaohSvilNC7lxZhBy4Fg/edit?usp=sharing> which imbedded in the SIP link below as well
- 2) One of our homeroom service projects this quarter surpassed their yearly goal! Mrs. O'Neil's homeroom collects used shoes for an organization called "Stuff for the Poor". Their goal was to collect 3,000 pairs of shoes this year which would surpass the previous goal by about 400 pairs. Back on April 4th, the 3,000 pair mark was eclipsed!

- Both grade levels are currently on pace with the curriculum calendar for each subject.

### **The Leader in Me:**

We are very excited the newly developed student leadership team will be meeting with the adult Lighthouse Team for the first time on Wednesday, April 13th. The lighthouse Team spent the morning with our coach, Jenifer Hearn, discussing updates and next steps for implementation. This meeting was followed by a virtual meeting between Dr. Deininger, Mr. Crandall, Jenifer Hearn and the high school LIM coach to lay out additional combined plans. This is an exciting new chapter in the continued consolidation efforts of the two buildings.

### **Professional Development:**

Mr. Crandall meets monthly with both Paper Company and ThinkCerca reps to discuss usage and next steps to better the use of each resource. In my monthly meeting with Paper, this exciting new resource was shared that I, in turn, sent to all teachers:

Mr. Albrecht spent two days this month in training designed to keep his general administrative license up to date.

DLR physical education teachers were ecstatic they could have their bowling unit back after a two year absence due to COVID. Transportation made things work and the students had a blast all while learning how to manually score a game of bowling!
