Dear Thomas Mahoney ,

The Illinois State Board of Education is pleased to announce that Oregon Elementary School, 47-071-2200-26, will receive a one-time hardship funding award for fiscal year 2024 in your early childhood block grant. ISBE received more requests than we have funding available to award so we may not be able to fund your entire request.

Please see award amounts below:

Expenditure Area	Amount
Salaries	
Professional Development	\$0
Transportation	\$0
Health & Safety	\$100,000
Total Award	\$100,000

Please note these funds are one-time only and will not be available in future fiscal years.

You will be notified when the funding is available. Once you receive notification of the increase in allocation, you need to request an upward amendment to your current FY 2024 continuation grant. Your upward amendment must be submitted to ISBE by June 15, 2024.

Should you have any questions or need assistance, please reach out to earlychi@isbe.net or call 217-524-4835.

Congratulations on your one-time award!

Sincerely,

Dr. Tony Sanders

State Superintendent of Education
