## School Improvement Goal 2 Culture & Climate

### **Increased Rigor:**

Expanded Honors opportunities for 2020-2021 school year

- Any student can earn honors credit for science, math or social studies courses
- All sections of these courses will be differentiated to include “stretch” activities that meet honors criteria
- Activities will include (but are not limited to) assessment questions that are of a higher Depth of Knowledge level; projects that integrate synthesis and application of skills; larger range of skills and/or deeper experiences

# Oregon CUSD #220

## **School improvement goal 3 Professional Practice & Growth**

### **Professional Learning:**

Teachers participating in peer to peer observations

- Teachers indicated classrooms that they want to visit
- Schedule arranged so teachers have an opportunity to visit 2 classrooms
- Observation notes left for their peers
- Reflection notes for the visiting teacher
- Debrief will take place with ICLE consultant when she visits on Feb 24

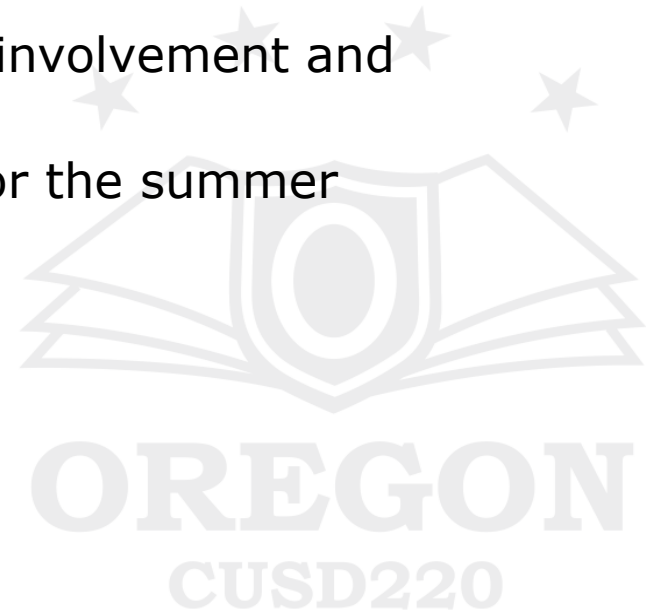

# Oregon CUSD #220
