

Board of Education,

The Oregon High School band would again like to take their biennial summer trip, this year to Disney World in Florida from June 4-10, 2017. This would be our fourth consecutive trip on the every-other-year pattern. This trip is meant to be a reward for the current students in the high school band as well as a recruitment tool for the younger students. The students will also be performing as a band and attending a workshop at the Disney World.

This is an optional trip for any band member. We will have approximately 60 students and 10 chaperones attending this trip. It is our hope that the board would approve this trip due to the distance of the trip. Through two years of fundraising efforts, the band activity account is covering the entire cost of the trip, including transportation and lodging. Please let me know if you have further questions.

Thank you,

Andy Eckardt
Oregon High School Band Director
