

Board of Education,

The Oregon High School band would again like to take their biennial summer trip, this year to Cleveland, OH and Chicago from June 2 – June 6, 2019. This would be our fifth consecutive trip on the every-other-year pattern and our second to Cleveland. The trip is meant to be a reward for the current students in the high school band as well as a recruitment tool for the younger students. The students will also be performing as a band at the Rock and Roll Hall of Fame.

This is an optional trip for any band member. We will have approximately 50 students and 6 chaperones attending this trip. It is our hope that the board would approve this trip since it is over 50 miles of travel. Through two years of fundraising efforts, the band activity account is covering the entire cost of the trip, including transportation and lodging. Please see the attached, *temporary* itinerary for any other details, and please let me know if you have further questions.

Thank you,

Andy Eckardt  
Oregon High School Band Director
