From: Kip Crandall  
Re: June Board Report  
Date: June 10, 2019

**Current Enrollment:**

Pre-Kinder - 38  
7<sup>th</sup> Grade – 115  
8<sup>th</sup> Grade – 113

**School Improvement Plan (SIP) Goals & Progress:**

SIP Goal 1: DLR PARCC attainment scores for meeting and exceeding in Math and ELA will double from 2017-18 results.

80% of DLR students will stay consistent or improve at least one PARCC attainment level on their 2019 test scores in ELA & Math as compared to their 2018 scores.

80% of DLR students will have a positive outlook on school and themselves as measured by a fall of 2018 and spring of 2019 organically developed survey.

Please see attached SIP final update with related comments.

**Professional Development:**

5/29 – 6/3 – The Google and Seven Habits trainings were incredibly impactful for me. I also received feedback from several staff members indicating the same.

I will also attend the HumanEx Leadership Summit being held on June 25<sup>th</sup> and 26<sup>th</sup> in Kalamazoo, MI. The last time I attended this summit I found it to be extremely helpful in recharging my social/emotional bank account.

**Tentative Summer Staff Work:**

1. Math teams to meet to realign Beyond Textbook pacing calendars to current offerings
2. Grade level teams to meet as teams to align/plan reteach/enrich resources to lessons
3. Team to meet and discuss special scheduling for next year
4. SIP sub committees to meet and devise actionable steps with lead measures.
5. New hires to meet with grade level counterpart to articulate curriculum

### **Positively Speaking:**

On Thursday, May 16<sup>th</sup> the entire seventh grade packed up and headed to Geneva to serve with the Northern Illinois Food Bank. Our team, which included board member Mike Guzman, helped sort and pack individual packets of hot cocoa into bundles of eight. Those bundles would then be put into a holiday box to be handed out around Thanksgiving. An estimated total of 33,000-36,000 holiday boxes will be distributed in northern Illinois!

DLR IESA state track qualifiers and alternates pictured as they get ready to depart for East Peoria on May 17<sup>th</sup>. Prelims on Friday did not treat us kindly and unfortunately, none of our qualifiers medaled. However, it was a great experience for them as they now see what the next level looks like and what they need to work toward!

Eighth grade students pack up and travel to Aurora on Tuesday, May 21<sup>st</sup> to serve at Feed My Starving Children. Board members Mollie Baker and Mike Guzman make the trip with us. Stats for this day were 204 boxes consisting of 44,064 meals packed which feeds 121 starving kids for a year at the cost of \$10,575.36. These stats always make an impact with our students!

Respectfully submitted... Kip Crandall
