The Leader in Me:

The Measureable Results Assessment (MRA) has been issued to parents, staff and students. This survey is traditionally only given in the spring and results compared from spring to spring. DLR, due to COVID hitting last spring, issued the survey twice this school year. This will allow for a fall to spring comparison this year and provide the baseline for the spring to spring comparisons moving forward. Data from the survey helps identify areas for school improvement.

Events List:

1. May 15 – Promotion ceremony, 4:00 p.m. in football stadium
