Oregon CUSD #220

School Improvement Plan 2020-2021

Goal #3 Professional Practice and Growth

Indicators:

- Professional learning community SMART goal progress
- Grade level teams support all students
- Remote learning rigorous instructional strategies
- Growth in use of one to one devices to supplement and support instruction

Oregon CUSD #220

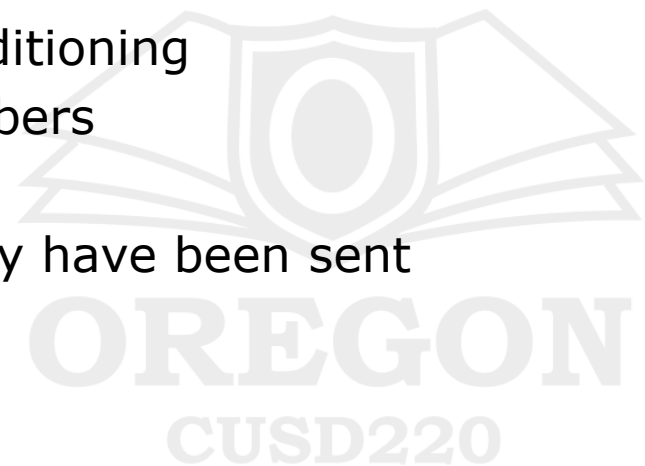

In-Person School Update

Positives

- 5 weeks with minimal disruption
- Students understand and are compliant with safety protocols
- Teachers have been flexible in moving their classes to spaces where students have more room
- Many coaches have started pre-season conditioning
- Students are involved in clubs in large numbers

Negatives

- Students who refuse to wear masks properly have been sent home for 2 weeks to remote learn

Oregon CUSD #220

Remote Learning Update

Positives:

- Many students are engaged daily
- Teachers have been very creative with remote lessons
- Paraprofessionals have been very helpful in connecting with remote students and supporting them

Negatives:

- There are a small number of students we are struggling to connect with
- MAP testing has been difficult
- Students with IEP's are having particular difficulties; we are trying to find solutions and ways to best support them
