- Both grade levels have completed their curriculum calendar for each subject.

The Leader in Me:

OJSHS teams spent time this spring integrating ideas from both buildings to begin developing the 2022-2023 operation plans for The Leader in Me.

Professional Development:

Mr. Crandall attended the two day off-site OJSHS school improvement plan retreat at Lorado Taft with leaders from both DLR and OHS. Kristen Paul, from HumanEx Ventures, lead the work to better acquaint our teams and equip them with tools to make the SIp work more meaningful.

Mr. Crandall also participated in a three day retreat in Galena with the administrative team. Developing leadership with deeper meaning, and how that will better support staff and student outcomes is how I would describe the work. I found this to be profoundly impactful.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.

Positives:

These two pictures are from our administrative retreat in Galena. Tom and Brad lead us through transformational leadership activities that will be followed up with six months of coaching. The depth at which we now understand one another and the commitments we made to each other will greatly enhance the coaching we will provide for staff as they look to increase student performance outcomes, all of which are not necessarily academic.

Pictured are areas of DLR that will be missed in just a couple short weeks! We look forward to creating new OJSHS memories!

Respectfully, Kip Crandall
