**2021-2022 SIP Plan:**

Highlights to our SIP:

- 1) Math and ELA lead data continue to be updated in the SIP plan and may be located using the link below. Illinois Assessment for Readiness (IAR) numerical results should be available in late June or early July. A detailed look at the lead data information may be found using this link:  
<https://docs.google.com/spreadsheets/d/1t4bQ6CqCLbSXa-N9SP9YTL-yaohSvilNC7IxZhBy4Fg/edit?usp=sharing> which is imbedded in the SIP link below as well
- 2) We are approaching the end of MAP testing and will have a breakdown of results available for the June board meeting. Preliminary 7th grade growth numbers, however, currently look very promising. Early data indicates students meeting their fall to spring growth targets are over 70% for both Math and ELA! We are awaiting 8th grade results.

### **The Leader in Me:**

The adult lighthouse and student leadership teams have been busy planning for the end of the year celebration that will be held the afternoon of Friday, May 20th. I will include some photos below.

### **Professional Development:**

Mr. Crandall attended his last session for the Building Leaders Network PD cohort he was a part of this year. The group spent the day at the capitol building in Springfield for a tour and information session with Alison Maley of the Illinois Principals Association (IPA). Alison lobbies on behalf of the IPA to make sure our voice is heard on educational bills introduced to the floor.

Mr. Crandall met with Jenifer Hearn of the Leader in Me to further discuss DLR's Measurable Results Assessment (MRA) data. The MRA is a survey taken by students, staff and parents in order to provide useful data to consider when developing school improvement goals.

### **Events List:**

1. May 12 - FCA Meeting, 7:00 am
2. May 12 - DLR Spring concert, 7:00 pm
3. May 20 - Last day for students/DLR field day, 10:00 - 1:10
4. May 21 - 8th grade promotion, 2:00 p.m. in the football stadium
