From: Kip Crandall
Re: March Board report
Date: March 15, 2022

Current Enrollment:

7th Grade – 100
8th Grade – 106

2021-2022 SIP Plan:

Highlights to our SIP:

- 1) Math and ELA lead data continue to be updated in the SIP plan and may be located using the link below. A highlight this month is the increase in growth of our students in ELA from fall to winter. A detailed look at this information may be found using this link: <https://docs.google.com/spreadsheets/d/1t4bQ6CqCLbSXa-N9SP9YTL-yaohSvilNC7lxZhBy4Fg/edit?usp=sharing> which is imbedded in the SIP link below as well
- 2) DLR staff members continue to seek opportunities to take care of themselves socially and emotionally. 56% of our staff took part in a Euchre Tournament held at Cork & Tap back in January!
- 3) One of our homeroom service projects this quarter was organizing and running a dodgeball tournament to benefit the family of Patrick Newcomer. Patrick is a 7th grader dealing with a rare form of cancer. Mr. Boyer's homeroom successfully pulled off the event on Friday, March 11th and raised in excess of \$1,800 for the Newcomer family! They will be presenting at April's board meeting.

PPAC Meeting: - With no meeting having taken place in January due to lack of interest, one more meeting will be offered prior to the end of the year. That date will be determined soon.

Beyond Textbooks Update:

- 7th and 8th math and ELA are following the pacing calendar provided by BT, with minor adjustments where appropriate.
- This link provides information regarding percentages of student performance on BT formative assessments:
<https://docs.google.com/spreadsheets/d/1N9O5mo7yzm4NTO5IPXAloTA1hLpdIK8YW039MbMlwsY/edit?usp=sharing>
- Both grade levels are currently on pace with the curriculum calendar for each subject.

The Leader in Me:

Dr. Deninger and Mr. Crandall will meet with Jenifer Hern, district account rep, on March 18th to further discuss building consolidation and continued implementation plans. OHS and DLR staff have already spent time adding OHS staff to existing DLR Leader in Me (LIM) teams. This is an exciting new chapter in the continued consolidation efforts of the two buildings.

Professional Development:

Mr. Crandall meets monthly with both Paper Company and ThinkCerca reps to discuss usage and next steps to better the use of each resource. In my monthly meeting with Paper, this exciting new resource was shared that I, in turn, sent to all teachers:

Mr. Crandall also spent Wednesday, March 2nd in Bloomington at his Building Leaders Network administrator academy. This was the fourth of five meeting sessions.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.

1st photo - Karley Jones is the first to finish the 20-book challenge in Mrs. Mahoney's ELA class that began during the 3rd quarter. Not only did she read all 20 from the challenge, but she's also finished 31 books total in less than one quarter! Way to go Karley!

2nd photo - Merit Namaste-Rose is recognized for winning the regional spelling bee. She will compete in Washington DC later this spring!!

This link contains a clip from Mr. Roger's 7th grade Project Lead the Way (PLTW) class called Design and Modeling - really cool!!! -
