Re: February Board Report
Date: April 9, 2019

Current Enrollment:

Pre-Kinder - 38
7th Grade – 117
8th Grade – 113

School Improvement Plan (SIP) Goals & Progress:

SIP Goal 1: DLR PARCC attainment scores for meeting and exceeding in Math and ELA will double from 2017-18 results. Practice opportunities are being taken advantage of in preparation for this year's Illinois Assessment of Readiness (IAR) which takes the place of PARCC test that had been given the past several years.

80% of DLR students will stay consistent or improve at least one PARCC attainment level on their 2019 test scores in ELA & Math as compared to their 2018 scores. No new updates.

80% of DLR students will have a positive outlook on school and themselves as measured by a fall of 2018 and spring of 2019 organically developed survey. Spring survey will be administered later in April and results from fall and spring will be compared.

PPAC: - Next meeting to be held Thursday, April 24th.

Professional Development:

4/18 – BT curriculum work

DLR teachers are required to make an instructional round with another teacher, including a follow up meeting, once during 2nd, 3rd and 4th quarters.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.

Students had a great time at the spring dance held on Saturday, April 8th. Hawaiian Luau was the theme for the dance and staff and students alike really had fun with it!

Olivia Paul, Lauryn Dixon and Natalie Tremble present "Lunch Buddies" at the March board meeting. Really proud of these ladies for stepping up and doing a great job!

Respectfully submitted... Kip Crandall
