To Mike Lawton: Oregon High School Activities Director

I am tendering my resignation as an assistant coach for the girls basketball program at Oregon High School for the upcoming 2019-20 season.

It has been a pleasure serving as an OHS coach for the past 25 years and I wish the program, and its players, many successes in the future.

As a graduate of Mt. Morris High School, I was a member of one of the first classes to compete in interscholastic sports for girls. Because of that effort (started by coach Salley Wessels and athletic director J.R. Worley) I was able to attend college on a sports scholarship and graduate with a BA degree.

I hope I have been able to help continue that legacy throughout my years as an OHS coach.

Thanks,

Earleen Hinton

Hi Dr. Deininger,

I would like to resign from the head cheerleading coach position at Oregon High School. My last day as a head coach will be October 25th.

I want to thank you for the opportunity. I have learned a great deal of knowledge from this experience and I appreciate all of your guidance. Your kind words has cushioned the hurt from the situation. I hope to take your advice and grow from this. Cheer will always have a special place in my heart and I do not want to have one bad season ruin many years of positive memories of the sport. I have developed great relationships in Oregon and truly want the community to thrive! Though I am putting in my resignation, I would be more than happy to help with tryouts, stunting, and basketball/competition cheerleading as well. I am only interested in what's best for the girls and if there is anyway I can make up for trouble I have caused I'd love to contribute.

Thank you again for everything. I wish you, Mike Lawton, and the rest of the coaches and staff at Oregon good luck!

Kind regards,
Kassie Rosecke

To Whom It May Concern,

I am writing this today as my resignation for employment effective September 27th. I have struggled with this decision a lot, so please know this is not something I take very lightly. I have struggled so much in the past few years with my fibromyalgia, missing a lot of work and finishing out the years with Doc days. After starting out what was going to be my final year anyway, I really hoped to make it through, but the pain I go through each and every day is more than I can handle this year. Along with that I also have my fiancé that has lots of medical appointments coming up that he will need me to take him to.

So after lots of long and hard discussions I feel that it is best for both myself and the school district for me to resign from my position. It has been a long and wonderful 8 years, and I am going to miss so many of my co-workers and students, however I do plan on putting myself down as a sub and coming in once in a while to help out!

If there is anything else you will need from me, please let me know.

Thanks

DeAnna Koruba

RE: Full time custodian

Effective 9/30/2019 I am recommending Sherry Marnich for the full time custodial position within the Oregon Community School District #220. Sherry has worked for the district for the past 8 years and currently holds the position of health aid at OES. She has been a sub custodian in the past, as well as working on the summer custodial cleaning crews. She held the position of team leader this past summer at OES. I feel her present work history and commitment to the district will make her a valued asset to the custodial department. For these reasons I am submitting this recommendation for your consideration.

Respectfully

It is with deep regret and sadness that I need to resign from my position as an Oregon School Bus Driver.

The situations that lead to my leave of absence, has not resolved. I am continuing to raise my two Grandchildren.

My mother is in need of more care, as she is aging.

I would like to remain on the sub list and hopefully be able to return for employment at some point in the future.
