Greetings,

On Friday, December 15th, I had a medical procedure done, which led to the discovery of some larger health concerns that will require a surgery to correct. The surgery is scheduled for January 10th, and unfortunately, according to preliminary talks with my doctors, I will most likely be out of work for 4 - 6 weeks depending on post-op recovery. I've spoken with Mandi Callaway at Central Office, and she has provided me with FMLA paperwork, and as soon as I get my doctor's signature on the forms I will be submitting them. I apologize for such short notice, and if there is anything else I need to do in this matter please let me know.

Thank you,
James Heather

RE: Letter of Intent to Retire

Dr. Mahoney:

It is with great professional appreciation for the opportunities to serve members of the shared service consortium and sincere personal gratitude to you for the opportunities to continue to learn administrative best practices, I share my intent to retire upon the completion of TRS qualifying service school year on March 22, 2024.

The Oregon Community School District's Board of Education may be certain the efforts towards service and efficiencies involving Oregon, Amboy, Ashton-Franklin Center, Meridian, and Rochelle Township High School have both furthered the interests of regional school children and contributed to a broader foundation which future administrations may build educational successes.

Upon acceptance of this intent to retire, I will be in communication with you regarding your direction for assuring a positive transition of responsibilities is achieved.

Respectfully,

Lowell Taylor
