Dear Oregon School Board,

I am writing to resign my position as Oregon High School math teacher, department chair, and football coach. It has been a true pleasure to teach and coach in this district for the past twelve years. However, it is time for my family and I to take on a new adventure. It was not a decision that we made easily. This district has allowed me to grow immensely as an educator and a leader. It has allowed me opportunities to take risks and be creative, and I truly appreciate how willing this district has been to accept and learn from failures while celebrating successes. This has been a wonderful community in which I enjoyed starting my family, and we have truly loved the students, faculty, community members in the Oregon School District. I look forward to staying in touch with this community and hearing all about the great things that are in Oregon's future. Thank you all so much for your support and help in becoming the teacher and person I am today.

Sincerely,
Cole J. Davidson

Heidi,

This letter is to inform you that at the end of the 2019-2020 school year I will be resigning from the position of Student Council Advisor. I have enjoyed the past two years, and am more than willing to be available to next year's advisor to any questions they may have.

Currently there are materials for Student Council in the OHS Library, they are fine to stay here until the next the beginning of the next school year.

I so appreciate all of your help and support you gave me with this position.

Sincerely,

Dyan Mowry

Subject: DLR Yearbook

Good morning,

I have decided I do not want to renew my contract in July for the DLR Yearbook. As much as I enjoy the design side of it, it's been a challenge getting students to participate and the financial side is not fun.

On a positive note, our new 7th grade English teacher Kristen expressed a definite interest.

Thanks so much for giving me the opportunity to do the yearbook.

Anna

Subject: Recommendation for Hire

Hello;

I would like to recommend Nathaniel Record to fill our open art position at Oregon High School. Mr. Record comes to us from the Ft. Worth (Texas) school district, where he has taught for the past three years at a visual and performing arts middle school. His references were highly complimentary of his teaching. He has his masters degree in art from the San Francisco Art Academy.

He needs a letter of hire, as he and his fiance' are relocating to our area and in the process of buying a house in Dixon. Is there something we can provide to him?

Please let me know if you have any questions or need anymore information.
