To whom it may concern,

I would like to tender my resignation effective December 21st. I have decided that I need to make a change in my career. I realize the middle of the year is not the most convenient but I need to do what is best for myself and my family. I have done my best to set students up for success the first part of the year and at this point, most classes are either building on skills or working on personal projects.

Signed,

Henry Neyens

Dr. Mahoney & Oregon CUSD #220,

I am writing to inform you that I am expecting a child and would need maternity leave.

My doctor estimates my due date as April 26th, 2022.

With the birth of my child I would like to request to have 6 weeks for maternity leave. My time of absence would start on April 26th, 2022 and I would be returning to work on July 11th,2022, assuming delivery and recovery go well. This return date is calculated with our 2 week office closed dates in between.

Thank you for considering my request.
