Gentleman:

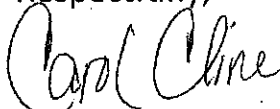

I would like to thank you both for the confidence you had in me to hire me within our school district. I very much enjoyed my time both as Part-time and Full-time Custodian, as well as summer crew. I have learned a lot working for the district and am thankful for that.

At this time however, I am resigning from my Full-time Custodial position at the BHC/OHS to take a position as a Library Aide at OHS. I will continue to work as a custodian from 6 AM – 9 AM through May 19, 2021. The second half of my day I will be training for my new position.

If I can be of any assistance with my replacement, I would be happy to do that. Coming in early is never an issue for me, please feel free to ask.

Again, I thank you both for everything, and please know you were both great people to work for.

Respectfully,

Carol Cline

Dear Oregon Community School District #220,

This letter serves as my resignation as the Boys Assistant Varsity Basketball Coach at Oregon High School. It has been nothing short of a great experience being able to serve the student athletes at Oregon this past athletic season. No words can truly describe the life of a coach as challenges and heart aches come with many triumphs and victories along with everything in between. As a coach, I've had the privilege of getting to mold and educate young minds that hopefully will have an impactful life time effect.

I wish the absolute best for the basketball program and owe a great gratitude to Coach Nate Green and Mr. Mike Lawton in giving me the opportunity to help student-athletes succeed. The moments with the basketball guys at Oregon will always be a good and positive thought when thinking back and my hope is they will have felt the same like wise. Thank you again and all the best.

Best Regards,

Michael Schneiderman

Re: OES Second Grade Teacher

I recommend hiring Alexandra Marocco as an OES second grade teacher. Alexandra completed her student-teaching within the Rockford School District and was then hired to teach in the district as well during the 2020-2021 school year. She will be a welcomed team member to OES due to her experience with various demographics of students. Due to current standing, her salary should be based on a Bachelor's Step 2 per the OEA contract for 2021-2022. Ms. Marocco replaces a position due to a reassignment.
