March 14, 2022

Dear Board of Education,

I would like to address the board with nothing but gratitude for the opportunity I have had to teach in the Oregon school district. I remember the thrill I felt when I accepted my current position 3 years ago. My hope as an educator; and as a person, is that I was able to leave every student I taught with lessons that extend beyond education and help them become the best version of themselves. The trials educators have been through in the past few years have been difficult to say the least. I now feel the need for a fresh start. I am excited for the doors that are opening to me beyond my current classroom. I will always look back at my time in OCUSD 220 with fondness and appreciation for the time I have had, and the lives I have touched. Please accept this letter as my formal resignation following the 2021-2022 school year.

Best regards,

Brian Treadwell

Date 3/7/2022

Mary Ridyard,

Based on our conversation today, I will be informing the OCUSD Board of Education of your intent to resign. The Board will act on that resignation at the March 21st board meeting.
