Subject: [External] Coaching Resignation

Good afternoon Mr Lawton,

I am contacting you to let you know that I have decided to resign from my coaching position with the Boys Basketball Program. I've been given an opportunity to join another program in the area, and I have accepted that role. I appreciate the opportunity that you, the school board, and the rest of the coaching staff gave me to be part of the Oregon Boys Basketball program last year. Although it was a difficult year, I appreciate the relationships I was able to build with some of those players, as well as with Coach Reynolds and I wish him and the rest of the staff nothing but the best.

Thank again,

Brian Mitchell

To whom it may concern,

I am formally resigning my position as Social Studies teacher at Oregon High School. I am also resigning as baseball assistant coach and football assistant coach. Thank you for the opportunity to be a part of your school and community for the past three years. If you have questions or concerns please let me know.

Sincerely,

Brandon Meyer

Dear Administration,

I regret to inform you that I will be resigning from my position as Senior Class Dean. I have enjoyed my time in this position and loved the role that I was able to fill for our Seniors. Unfortunately, I feel that with my new position of Varsity Basketball Coach, I can not fulfill my duties as dean to their full extent.

Sincerely,
Olyvia Rand

Dr. Deininger and OCUSD Board,

Please accept this as my letter of resignation from the position of Oregon High School Yearbook Advisor beginning the 2022-23 school year. I will, of course, complete my obligations and submit the finished yearbook for the 2021-22 school year on July 1, my current deadline.

I have been a yearbook advisor for at least thirteen years including at a previous high school, David L. Rahn Junior High School and Oregon High School. Since it will no longer be a journalism class, and will be returning to an extracurricular activity, it is time to pass the torch onto a new teacher with fresh eyes to take on the role of advisor.

Respectfully,
