Dear Kathryn Green,

Congratulations! Oregon Elementary School has been selected to receive a 2016-2017 Readers' Choice Grant from the ISLMA/LBSS Endowment Fund.

You should expect to receive your Monarch Award (K-3) book set at the address you listed on the application by August 1, 2016. The book vendor is Ingram. If there is a change to your shipping address or you do not receive the books by August 10<sup>th</sup>, please notify our corporate office. We request that you place the enclosed labels in the books that you receive. This will show they were donated to your library by the Endowment Fund.

We hope your students enjoy the books, and we wish you success with your Readers' Choice programming. Please submit your student votes by the March deadline via the online ballot. Thank you for helping us "promote reading in Illinois."

Sincerely,  
Anna Nalewajka, Chair  
ISLMA/LBSS Endowment Fund Board
