Policy 1:32 Mission and Belief Statements

Current:

District Mission Statement

Our mission/vision statement for District #220 is:

Educate students to be lifelong learners who are productive, responsible citizens.

District Vision Statement

Our vision statement for District #220 is:

Become an educational destination for students and families

District Belief Statement

1. Learning must be a shared responsibilities of schools, community, students, and home
2. Students have a right to a nurturing, respectful, and safe learning environment
3. Students have a fundamental right to a quality education in which they should be challenged to their fullest potential.
4. Everyone can learn.

VISION:

Performance Elicits Pride.

MISSION:

Educate students to be lifelong learners who are productive, responsible citizens.

CORE VALUES:

We demonstrate Excellence through:

- Clear, high expectations
- Willingness to tackle tough challenges
- Commitment to constant growth

We operate with Integrity through:

- Honesty
- Transparency
- Accountability

We deploy a People-Centered Approach through:

- Service
- Support
- Gratitude

STRATEGIC GOALS:

Performance:

Our focus is to set high expectations, implement consistent growth strategies, and pursue excellence across all grade levels and within each operational department.

Systems:

Our school district aims to bring all parts of education together to create a unified and effective learning environment, working as one connected system to achieve excellence.

Culture:

Our vision is to create a district that acts as a community, where adults and students support, care for, and encourage one another, working together for the collective good in both challenging and celebratory times. Every member of the school community shares responsibility for the welfare of every other member of the community and the welfare of the community as a whole.

Mission: Educate students to be lifelong learners who are productive, responsible citizens.
